# Sparxo glood APP

Sparxo

event ticketing meets voice

the first exclusively voice powered community app

## your community app

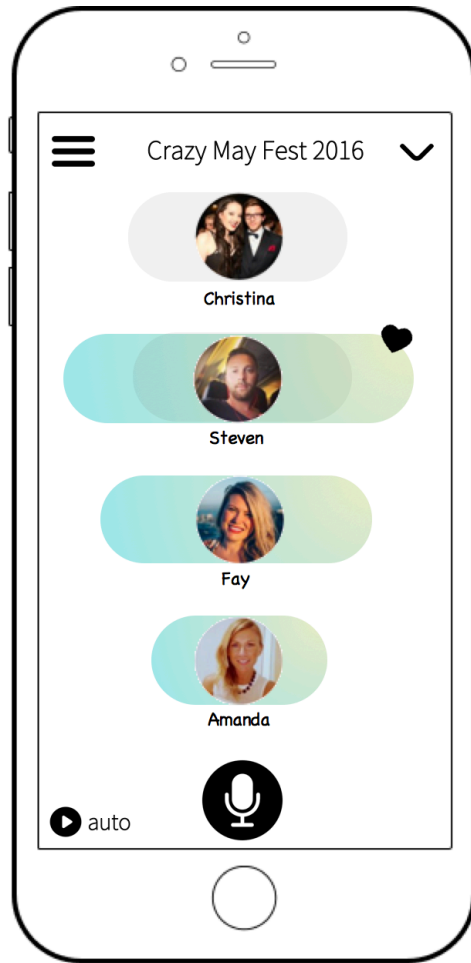

crafted from the ground up for the mobile generation

your experience partner

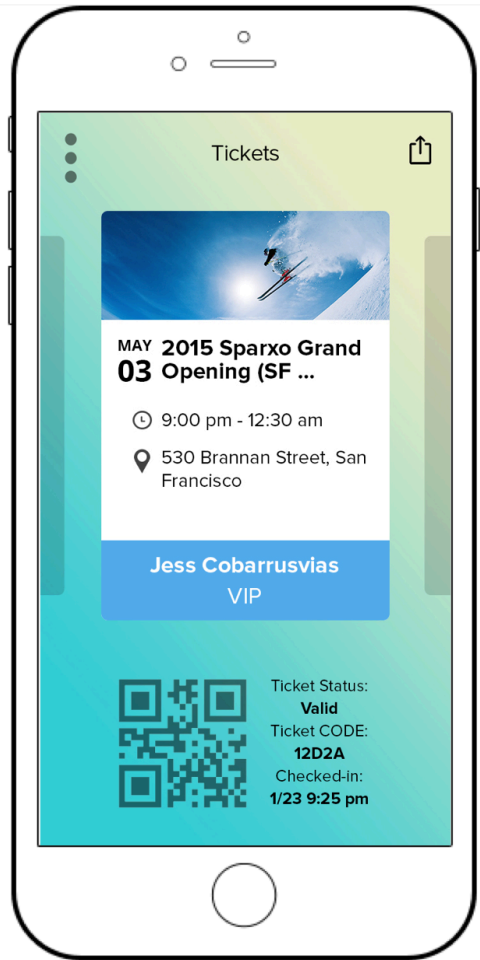

we want to work with you to build the most  
personal experience for your fans

through the power of your voice

## why exclusively voice?

an intimate, inclusive, and simple way for your supporters to connect with you and with each other

# beyond just buying a ticket

building an app that holds tickets is easy

we want to work with you to build your inclusive  
community that extends live events before & after -

one authentic customer voice at a time

Sparxo

Give your fans a voice today!
